

in Year 4

Our Superstar Learners

Progress Award – Paris, Hammad, Muhammad, Amelie, Whole class for Dragon Days

Achievement Award – Lewis, Heidi, Ben, Myng

HOUSE POINTS

Bronze Award –

Silver Award – Haseena

Gold Award –

TIMES TABLES

Silver Award – Bella

Gold Award - Amelie

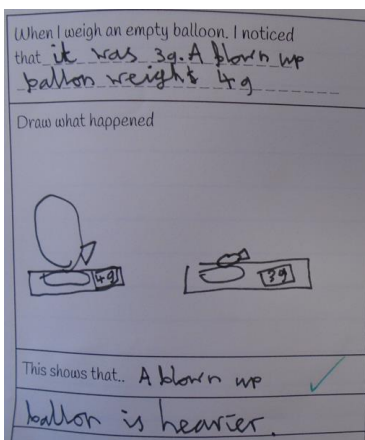

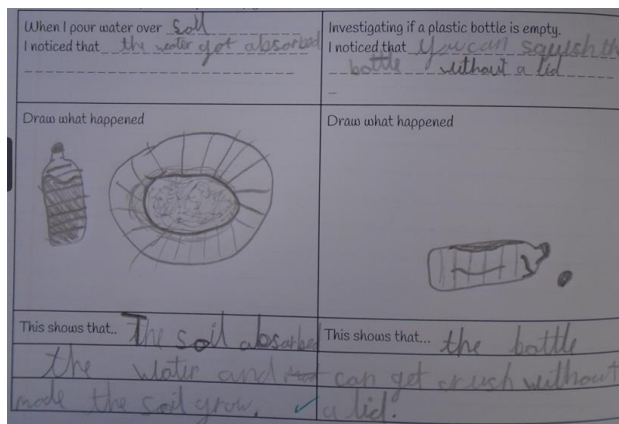

Platinum Aaliyah, Liam

Readers of the Month –

Thomas

March - Alfie

April - Mutsa

Our topic this half term is 'states of matter', we will be learning about the differences between, solid, liquid and gases.

We have asked our subject ambassadors to report on the maths learning this month. Year 4 have been learning about decimals. We have learnt how to divide 1 and 2-digit numbers by 10 and how on a place value chart, we have to move the digits 1 space to the right when dividing by 10.

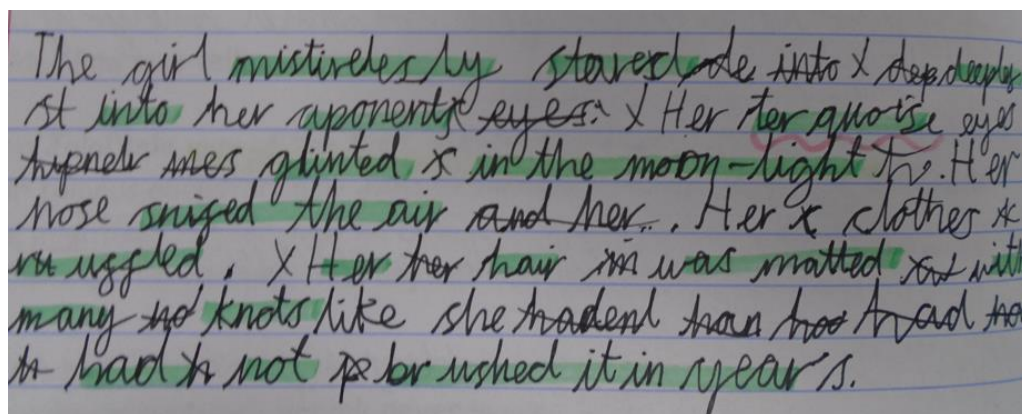

Thank you to Nil and Darcey for such a super report.

Don't forget you can use Myon to read at home. To practise times tables do use TTRock Stars!

PSHE – This week we will be talking and learning about road safety.

Our text is Varjak Paw, and we have been learning how to explain what the character Varjak is like, his feelings and his personality.

We have explored how Varjak is feeling when he tries to go outside in the garden, our list of feelings included: scared, brave, envious, friendly, greedy, generous and thoughtful!
