

Year 3 visited Kettle's Yard this week – one of the highlights was a workshop in which the children experimented with painting. They were able to look at the different artworks, produced some of their own drawings, and discussed how the artworks were created.

Year 3 have also been learning about the Ancient Egyptians this term and as one of their hook activities, were mummified. They also made links to their Science work by mummifying tomatoes!

#### Volunteers for Trumpington Federation Science Event, Tuesday 12<sup>th</sup> March, 3:30pm – 5pm

LET'S HAVE FUN!  
**STEM  
EVENT**  
FREE ENTRY

Location: Trumpington Meadows Primary School

Join us to take part in a range of exciting STEM activities and meet some real scientists from our community.

Cake and other refreshments will also be available to purchase.

YAWCETT  
TRUMPINGTON  
MEADOWS  
PRIMARY SCHOOL

Our annual STEM event will take place at Trumpington Meadows from 3.30-5pm. It has been hugely popular in the past and we are grateful for all those members of the community who have previously volunteered. In order for the event to take place this year, we will need a whole host of volunteers once again. We ask that volunteers plan and resource a STEM activity of their choosing and run the activity from 3.30 to 5pm. If you are able to volunteer, please contact Miss Fisher ([kfisher@trufed.org.uk](mailto:kfisher@trufed.org.uk)). Many thanks.

#### RSE Parent Survey

We are reviewing our Relationship and Sex Education (RSE) Policy and would value your feedback. Please use the link below to share your thoughts with us.

<https://forms.gle/MV2SVZjLLthvXeHT7>

#### Attendance

As we reach the halfway point of the academic year, we are reviewing attendance. If your child has attendance below 90%, we will be writing to you to make you aware.
