

If you collect children from the KS1 playground, you may not realise that, since September, you have been doing so alongside a three-time Olympic gold medallist! We were very fortunate this week that Mr Bond, who won rowing gold for New Zealand at the 2012, 2016 and 2020 Olympic Games, came into school to talk to our Year 5 and 6 pupils. The children heard about what he had learned from his career, some of the philosophy that had allowed him to be successful and the importance of nutrition for all of us! Mr Bond and his family are now returning to New Zealand where he will continue his next project, as a cyclist for the Emirates New Zealand sailing team in the 2024 America's Cup. Good luck and it has been fantastic to have you all as a part of our school community!

#### Year 6 English Challenge

A team from Year 6 took part in the Cambridgeshire Year 6 English challenge, competing against other local schools. Congratulations to Jelo, Freddie, Caleigh and Athan on their fantastic effort!

## Volunteers for Trumpington Federation Science Event, Tuesday 12<sup>th</sup> March, 3:30pm – 5pm

Our annual STEM event will take place at Trumpington Meadows from 3:30pm – 5pm. It has been hugely popular in the past and we are grateful for all those members of the STEM community who have volunteered previously. In order for the event to take place this year, we will need a whole host of volunteers once more. We ask the following of volunteers:

- to plan and resource a STEM activity of your choosing.
- to run this activity from 3:30pm – 5pm.

If you have any background in STEM and would be happy to volunteer, please contact Katie Fisher ([kfisher@trufed.org.uk](mailto:kfisher@trufed.org.uk)). Please do also contact me if you have any queries about volunteering.

## RSE Parent Survey

We are reviewing our Relationship and Sex Education (RSE) Policy and would value your feedback. Please use the link below to share your thoughts with us.
