Invitation to Join a Premier League Cricket Club – Boys & Girls

Dear Parents and Players,

Sawston & Babraham Cricket Club are one of the most successful cricket clubs in East Anglia with the 1st Team winning the prestigious East Anglian Premier League twice in the last 3 years. Our Junior sections “The Rams & The Griffs” are also highly regarded with 200 young people regularly taking part in cricket activities on a weekly basis this summer.

We are already planning for next summer and are looking to recruit additional boys & girls for our teams in 2024. We can offer first class coaching from some of Cambridgeshire’s leading coaches together with excellent playing facilities at both of our home grounds.
