

in Year 4

In science we have been learning about living things and their habitats. We have made our own classification keys, explored different animal adaptations and completed an experiment exploring the effect of global warming on sea ice and land ice.

Our Superstar Learners

- Progress Award –**
Amelie, Alfie, Elisa
- Achievement Award –**
Wilbur, Stella, Thomas
- Bronze Housepoints Award –**
Ramsay, Ben, Heidi, Paris
- Silver Housepoints Award –**
Anna, Amelie
- Gold Housepoints Award –**
Leo Muhammad
- Times tables**
- Gold Times Tables** Myles, Stella, Emma
- Silver Times Tables** Olivia, Myng

is a hundred square.

3	9	18	36
6	18	36	72
12	36	72	144

What connections do you notice between the 3, 6 & 12 times tables?

The connection is that the 3 is a quarter of 12 and is a half of 6 or 12.

We have been consolidating our understanding of multiplication and division. We have used 100 squares and coloured in the times tables and developing our reasoning skills.. We have also been thinking about easy ways to remember our times tables.

Trinity Class has really enjoyed Forest School this term with Mrs Wills, we have been den making, craft making and lots of other things. We hope Wolfson you will have great fun too!

Please continue to use Rock Stars Times Tables for your child to practise and improve, just 10 minutes every couple of days is better than one long hour session.

We hope you are able to give your child time to read, either books from home or on Myon.

Warm write: Myths and Legends

Long long ago in Scandinavia there lived a spiteful King, named King Henry IX, who was eager to destroy all the bananas. He had lived on earth King Henry IX knew also - the witch that lives in areas - would not let him so the Finnish king send her away on a quest not expecting her to come back. "Bring me the body of the banana master and I will not destroy the bananas any more" yelled the king.

We have been learning about non chronological reports which include using headings, subheadings, scientific vocabulary, paragraphs and glossaries. We have learnt new words such as: disastrous, camouflage, tamed, hoarding and renown!
