

November

in Year 3

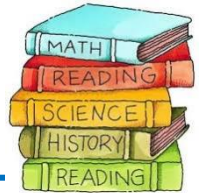

In science, we have been learning all about the human body and the things we need to do in order to keep healthy. This has included looking at how our skeleton keeps us safe, how are muscles grow and the different food groups.

This Month's Super Learners!

Progress- William, Harrison, Cyrus, Jasmin, Marysia, Alex, James S

Achievement- Djahid, Jahneca, Cyril, Chloe, Stephanie

Design Technology

We had fun learning about Iron Age roundhouses and researching the materials used to make them. After designing our own, we then gathered materials and built some impressive models.

English!

In English this month, we have been writing narratives based on 'The Tin Forest' by Helen Ward. We have been working on using thesauri to make our vocabulary more ambitious.

MATHEMATICS

In Maths, we have started our multiplication and division unit. We have been working on making equal groups. We have used manipulative to support our learning. We have continued our learning of the 4 and 8 times tables. Please continue practicing as much as you can at home!
