

PSHE CURRICULUM MAP

How do we teach PSHE at the Trumpington Federation?

We use the Cambridgeshire Primary Personal Development Programme to ensure coverage and fulfilment of children's entitlement to a broad, balanced PSHE curriculum. We have implemented the long term plan 'B' within which Years 1, 3 and 5 are delivering the same themes, and Years 2, 4 and 6 are also working on parallel themes. The entire programme is covered over two years. Although children will be receiving different teaching, the plan is grouped mainly into strands, or similar themes, and therefore assemblies could still be coordinated to fit with broad teaching areas. Within this plan, Drug Education and RSE is also taught. Many of the themes within our PSHE teaching - such as Working Together, My Emotions and Rights, Rules and Responsibilities will be ongoing themes throughout the school year beyond any discrete PSHE teaching.

In addition to the above, teachers may plan PSHE lessons by making relevant links to topics - where possible, whilst considering the needs of the class. Through our assemblies and broader cultural capital opportunities, children will also receive a range of opportunities to develop their social, cultural and emotional understanding - for example through the UNICEF Rights Respecting School Award, School Council or links to other curriculum areas.
