

# Welcome to Trumpington Meadows Primary School

Come and see our Reception  
Classroom  
We can't wait to meet you!

Here is one  
of our  
Reception  
classrooms.

They are busy places  
with lots of things to  
explore!

We can dress up, read books,  
explore technology  
and make things

We love our outdoor classroom and spend lots of time here.

We climb, jump, run, play, get messy and build.

We can also make lots of **noise** outside!

Outside we play with  
sand, water, balls,  
hoops, dolls, bricks  
and so much more!

We are good at  
solving all sorts  
of problems.

We can be creative  
with the resources.  
We're making a house  
here.

Our messy kitchen is perfect  
for mud pie making, potion  
mixing, dinnertime and  
having fun with our friends.

Here are our toilets  
and sinks.  
You can use these  
throughout the day,  
whenever you need to.

We wash our hands here after all our fun, messy activities and before lunch.

We enjoy  
learning with  
our friends,  
on our own  
and as a  
class.

We build dens, hunt for bugs and drink hot chocolate at our Forest School near Byron's pool.

We enjoy sitting  
together in the Big  
Hall to eat our lunch.

See you in September!
