

Dear Parents / Guardians

We are running our tech camp this May half term at **Mayfield primary school Cambridge, CB4 3HN** on the **28th – 31st of May 2024** from **9 am to 4 pm** each day.

Next Thing's Tech Camps are all about making learning fun, encouraging skill-building and giving children the opportunity to try something different! From programming challenges, Robot Coding, Photoshop Skills, Minecraft, DJ mixing and LEGO programming, we have all the creative boxes ticked! Whether your child is a tech whiz, or new to STEM education, let them come along and make new friends, have a blast, and gain skills that will last a lifetime.

The main themes for the week are the following:

- **LEGO GEARBOTS** – Create and build frames with axles and crankshafts that allow you to explore and learn about different functions like spinning or turning back and forth.
-  **VIRTUAL REALITY** - With the magic of VR, you can explore breath-taking virtual worlds, design your own adventures, and unleash your imagination like never before.
-  **3D CREATIONS** - Unlock your inner Tech Artist and create mesmerising three-dimensional creations, letting your imagination soar!
-  **LASER TAG** - Step into the action-packed world of laser tag! Engage in thrilling battles and team up with friends in the ultimate test of skill and strategy.
-  **CIRCUIT CUBES** – Learn about electronics with circuit cubes and test your building skills with endless projects possibilities!

Here's what our parents thought about our Easter Tech Camp:

“Lovely staff. Very friendly and helpful. Son had an **amazing time** at tech camp. Would highly recommend it.”

All staff are DBS Checked and qualified to run the greatest sessions in the safest environment. For more information **check out our flyer attached** or **visit our website:**
