

The sun has started to shine as our learning continues to shine within school too. We are pleased to be able to share some of the following examples with you.

Trinity Class Trip to Homerton College

Our children's comments: 'I liked looking around the college. Homerton College is an amazing place to study your choice of subject. Everyone in this university is so kind. I found it funny that Lord Simon Wooley surprised my group and talked with us. He is very kind. We played in the orchard and I liked the magic doors!'

Year 5 Maths Challenge

On the 8th May we attended a maths competition at Bellbird Primary. We answered maths questions using calculating and estimating. We are happy with what we did and proud of ourselves, the same time we had fun. Written by Fairouz.

Sports Day Change of Date

Please note that Sports Day, **for Years 1 – 6**, will now be held on the Wednesday 26th June – all families are welcome.

Census Day Lunch, Thursday 16th May

We have slightly amended our lunch menu for this day to encourage as many children as possible to order a school meal. The more children that order a school meal on this day means that we receive more funding in the future. In this current climate, every penny counts! By popular demand, the lunch choices on Thursday are: beef burger, Quorn hot dog, jacket potato or ham sandwich.

Year 6 Charity Day, Friday 24th May

The Year 6 Classes are busy preparing for the Charity Day where they will be raising money for: Crisis Homelessness Charity, Cancer Research UK and the Year 6 disco. Each class, from Nursery to Year 5, will have the opportunity to take part in a whole variety of activities that the Year 6 children have planned and resourced. There is something for everyone: darts and boxing, nail painting, cake stall and Nerf guns to name but a few of the fun ideas that they have in store.

Tennis Racket Donations:

If you have any old tennis rackets to donate towards our OPAL project, please do drop them into the school office or to an OPAL Drop Off point.

Ice Cream!

We have received some information about unlicensed ice cream vans operating in the area and wanted to make you aware of this. A licensed ice cream van can be spotted by its orange plate fixed to the back of the vehicle. The plate will contain the council logo, plate number and vehicle registration number of the van, similar to those you find on taxis. It is important that ice creams are only purchased from these licensed vans.

Dates and Events

Term Dates
