

SEPTEMBER

in Year 5

In Art, we have started our work on **Typography** and **Maps**. We have explored the work of typographers and used our sketchbooks to create our own typography and develop our skills.

Well done everyone for a super start to Year 5! You are fantastic role models in our school. Keep up the great work!

This Month's Super Learners

Well done to the children who have received certificates this month.

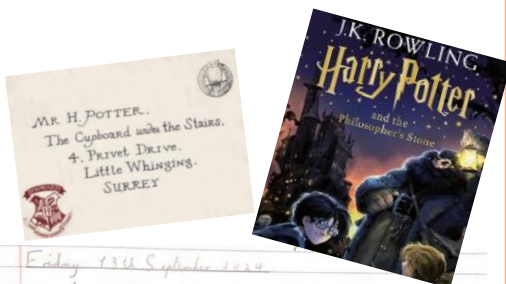

Lincoln, Liliana, Rupert, Angelos.

Well done to the children who have also received their pen licence too!

Writing

This month, we have immersed ourselves into our new Harry Potter topic and have focused on writing **descriptive letters**, imagining we have just started a new term at Hogwarts! We have also focused on our presentation – well done to all of you for working so hard to keep your presentation in line with our high standards.

Friday 13th September 2020
 I wrote a part of our model text.
 The exciting journey here was so **amazing** and **interesting**. **Really**, we had an **amazing** journey by a flying ship, during which I met two friendly boys, Harry and Ron. Harry is quite short for his age and is amazingly popular in the wizarding world. Ron is hilarious. He keeps being his pet out since it often flies away. After the ship, Hagrid led us towards a massive ship and we sailed across a shimmering lake to Hogwarts. What a marvellous way to arrive!

Reading

We have really enjoyed our new reading lessons. This month, we have studied extracts from Harry Potter and the Philosopher's Stone and The Last Spell Breather. We have also looked at a non-fiction text about Ordnance Survey maps.

We have also been thinking carefully about respect and how we treat the school environment during our PSHE lessons. Look at this wonderful piece of work!

In Maths, we have recapped our Place Value knowledge from Year 4 and have moved onto larger numbers (up to one million!). Additionally, we have used our knowledge of place value to help us order and compare numbers.
