

### News from the Federation – 1 March 2024

Another busy and fun week at school. Have a read below about the fun we have had at Little City and a trip to the Central Mosque to name a few. Thank you for all the donations to Opal last Friday on the non-uniform day. We are getting to be well stocked! I hope too children have been sharing the additional fun they have been having at break and lunchtimes. Don't forget next week is World Book Day on Thursday and we are encouraging children to dress up as their favourite book character, if they wish. This is not compulsory, just fun.

#### Reception Class Enrichment Experience

We're thrilled to share the excitement from our recent event for Key Stage 1 and Reception students. On Tuesday this week, a dynamic company 'Little City' brought a world of professions to life with an interactive role-play station. Children eagerly tried on costumes, stepping into the shoes of doctors, firefighters, chefs, and more.

The day was a resounding success, filled with laughter, curiosity, and hands-on exploration. This immersive experience not only provided a fun day but also sparked meaningful discussions about future aspirations. Our little ones shared dreams inspired by the diverse professions they encountered, creating a memorable and inspiring day.

Thanks to everyone involved for contributing to this delightful and educational experience!

#### Kings Class Visit to the Mosque

My favourite part was when we was at the balcony.  
Because we got to see more of the mosque.  
The mosque was so beififul as well.

#### Open Classrooms:

Thank you to all the families who were able to attend our Open Classroom event – the children and teachers were so pleased and proud to share their learning.
