

FEBRUARY IN YEAR 2

Our classes have been enjoying reading and performing some poetry.

We have also been writing newspaper reports about a disaster in our classrooms and the story of the Three Little Pigs using speech marks for eye witness statements and adjectives in detailed descriptions. We have particularly enjoyed coming up with some dramatic headlines!

THIS MONTH'S SUPER LEARNERS:

Fitzwilliam- Tiago for being really enthusiastic about his learning and showing resilience in his classwork.

Kings- Yasin as since joining us in January he has worked really hard. Friendly and kind, Yasin is a lovely addition to our class.

In our Topic (History, Art and DT) we have been learning all about the Great Fire of London! We really loved learning about Samuel Peyps and his cheese as well as constructing and burning down our own Tudor houses to recreate the fire on Pudding Lane!

This month we have been learning all about multiplication and division! We have focussed on our 2, 5, 6 and 10 multiplication tables and have looked at all the different ways of calculating our answers. For example multiplication can be thought of as repeated addition, arrays or equal groups and division can be sharing and grouping.
