

in Year 3

This Month's Super Learning

We have been working really hard in the lead up to our Year 3 and 4 performances of **Dragon Days**. We were fantastic singing goats!

Well done to the following children who have received certificates this month:

Darwin: Rex, Brooke, Ariadne, Sophia, Wyatt
Robinson: Leo, Georgie, Harleigh, Zara, Ibrahim, Thomas, Freddie

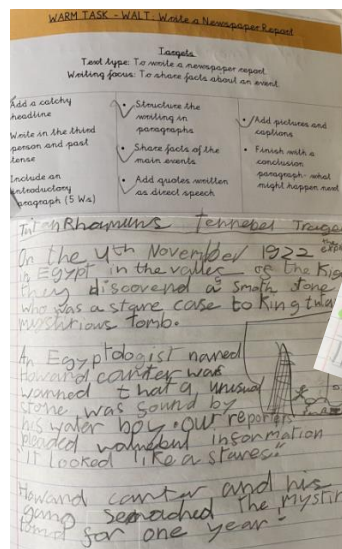

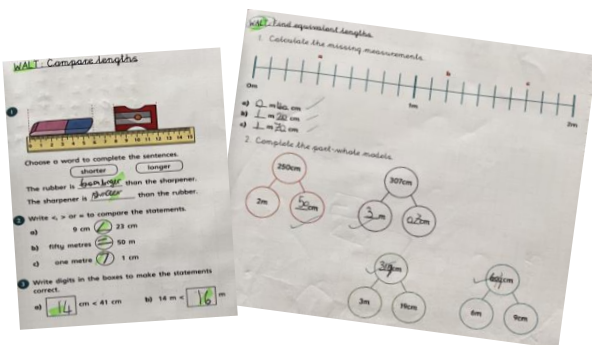

ART

In Art this month, we have been focusing on **cloth, thread and paint**. We have enjoyed experimenting with our mark making on a new material and taking inspiration from volcanoes - we can't wait to learn more about them next term in Geography!

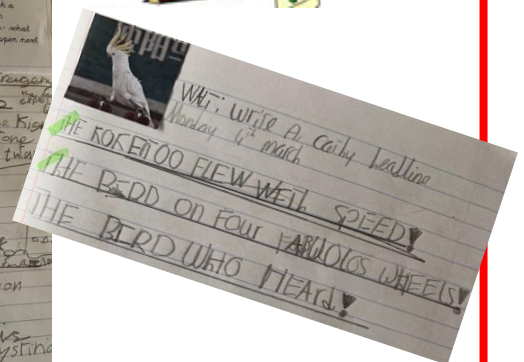

MATHEMATICS

In Maths this month, we have been **measuring mass, capacity and length**. We have also been exploring **money**. Our favourite lesson was one in which we pretended to be slaves for an Egyptian pharaoh and had to go down the Nile to seek out some items from the traders. We used the skills that we learned in previous units (column method) to add items together.

English!

This month, we have been writing **newspaper reports** about the discovery of Tutankhamun's Tomb. We have also been learning how to use our writing to persuade others by writing **persuasive letters**. We have been working on giving clear reasons and using a range of conjunctions in our writing.
