

#### Celebrating Young Voices

Last Friday, the choir went to London and had an amazing time singing at the O2. They were joined by our friends from Trumpington Meadows and over 7000 other children. We sang and danced our way through lots of songs and watched some spectacular musicians and dancers on the stage. I think you can see from the photos, it was a remarkable experience!

We also need to say a huge, 'THANK YOU' to the staff that made this happen: Mrs Wills, Miss Nixon, Miss Cubitt and Mrs Wickett

#### Year 5 Astronomer Visit

Dr Matt Bothwell from the Institute of Astronomy, University of Cambridge, visited year five last week - as an expert to support this term's topic 'Our Universe'. The children were highly engaged - they had the opportunity to ask lots of interesting questions; hold a meteorite; and get to grips with the size and scale of the solar system! It was completely out-of-this-world learning!

#### Cambridge Zero Community Day - 17<sup>th</sup> February

This event has now its rescheduled date – there will be lots of climate and sustainability talks and activities; the artwork that the children produced last term will also be on display. Please see the link for details of the events:

## Volunteers for Trumpington Federation Science Event, Tuesday 12<sup>th</sup> March, 3:30pm – 5pm

Our annual STEM event will take place at Trumpington Meadows from 3:30pm – 5pm. It has been hugely popular in the past and we are grateful for all those members of the STEM community who have volunteered previously. In order for the event to take place this year, we will need a whole host of volunteers once more. We ask the following of volunteers:

- to plan and resource a STEM activity of your choosing.
- to run this activity from 3:30pm – 5pm.

If you have any background in STEM and would be happy to volunteer, please contact Katie Fisher ([kfisher@trufed.org.uk](mailto:kfisher@trufed.org.uk)). Please do also contact me if you have any queries about volunteering.
