Owl Pellet Dissection for Adults

Saturday 1st June 2024

From 10am-12.30pm

Join us to dissect an owl pellet and discover which species our local owls have been hunting! We will carefully break up the pellet, clean and compile the skeletons inside and identify which species they belong to. Make use of our digital microscope and photo lenses which attach to your smart phone.

After the pellet investigation, we will take you on a guided walk around the Ramsey Heights nature reserve to identify more of the flora and fauna that call this home. Refreshments will be included.

Book online:

wildlifebcn.org/events

Price: Wildlife Trust BCN Member
£10, Non-member £15 - plus
booking fees.

Location:

Wildlife Trust Countryside Centre,
Chapel Road, Ramsey Heights,
PE26 2RS
