

We are delighted to welcome everybody back for the start of Summer Term 2024. Year groups have begun new topics and we already have lots of events planned so please do make a note of the important dates in your diary.

#### Year 3 Trip to the Sedgwick Museum

To kick start their new topic, 'Our Active Planet', Year 3 walked to the Sedgwick Museum and had a whale of the time. Here are some comments from Year 3, describing what they enjoyed the most:

"I liked seeing all of the fossils. My favourite was the hippo!" (Mason)

"My favourite part was seeing the giant spider!" (Kodee)

"I liked looking at the fossilised poo!" (Ibrahim)

#### Nursery have started Forest School

#### Parking on Alpha Terrace

Recently we have heard that there has been some inconsiderate driving down Alpha Terrace and parking in Alpha Terrace. This is a concern as it does cause a danger to our children. Please make sure you are not parking on double yellow lines or obstructive driveways or generally parking in inappropriate places. We do encourage families to travel to school in an eco-friendly way i.e. walk, cycle, scooter. If driving is necessary please do take extra care when driving down Alpha Terrace.

#### Dogs

We understand that furry, four-legged friends are important family members but please note that we do not allow dogs onto our school site. The only dogs that are allowed on site are assistance dogs.

#### Careers Related Learning Survey

As you may know, our school has been taking part in an exciting programme related to career-related learning for primary schools. As part of this, we would appreciate your support in completing a short survey. The link below which asks about your understanding of the world of work for your child and what support you would like to receive from school in relation to career-related learning. <https://impacted.typeform.com/to/ICyCXyXm>
