

News from the Federation – 27th June 2025

Over the coming weeks, we will begin the transition process moving into the next academic year. As is convention at the Federation, we will mix the classes in Year 2 and Year 4. This is a complicated process but takes into consideration the children's wishes as well as balancing the needs and dynamics in the classes. Children will 'move up' for the day on Monday 7th July and you will receive confirmation of your child's class, and their class teacher, the week before. We will explain the precise details of transition day in due course.

We hope to see many of you at the Summer Fair this Saturday, from 11.30 – 2.00 at Fawcett. There will be lots of different activities and will be a great opportunity to raise funds for the PTA. There may even be another opportunity to 'soak the teacher'...

Mr Monro

Sports Day – results!

Well done to everyone for taking part in Sports Day last week. We can confirm that the winning house was Water house with 874 points, closely followed by Air house with 836 points.

Planting

You may have noticed the new planters out the front of school – we are grateful to the local community for putting these in place and to Dobbies for providing us with the plants and watering cans. Some budding green-fingered students in Year 5 have helped to plant them and now have the job of keeping them maintained....

Thank you

Mrs Larkey has asked that we pass on her thanks to all the families for the gifts and kindness that she received on her final day with us last week.
