

News from the Federation – 4th July 2025

Thanks to everyone who came along to, or helped out at, the Summer Fair last weekend – it was great to see so many people there in the sunshine! These events rely upon the goodwill of parent volunteers so if you are interested in getting involved, please do in the future!

You will have received a letter at a similar time to this newsletter informing you of your child's class teacher for next year. On Monday, the children will spend the day with their new teacher – children will have been shown where they need to go, and there will be plenty of SLT around to help. Very best of luck to our Year 6s, many of whom will spend their first day at their new secondary schools on Monday as well.

Sadly, Miss Harvey will be leaving us at the end of the year as she moves on to pastures new. She will be greatly missed and will leave us having helped to achieve our best ever Phonics results this year! We will say a proper goodbye at the end of term.

We will also be saying goodbye to Mrs Jones in September as she finds a job closer to home. Mrs Jones has made a fantastic impact in her short time with us as SENCo and will also be much missed. I am pleased to say that Mrs Kirby, who has previously worked at both Fawcett and Trumpington Meadows, will be joining us as SENCo in September.

Mountfitchet Castle

Year 2 had a great day at Mountfitchet Castle, identifying different features, trying out some of the different props and meeting the friendly local goats!

Some children even ended up in the stocks....

Message (and thank you) from the PTA

Hi everyone,

Thanks to everyone who came to the summer fair last Saturday. I'm pleased to say that we raised just over £1600 for the schools. Well done everyone, and a particularly thank you to all the people who gave up their time to volunteer at the event - this would not have been possible without you.

Looking forward to seeing some of you at the discos next Friday!

Year 1 Boat Trip

The Year 1 children had a great day on the Cam on Thursday travelling on the Camboats and identifying some of the landmarks they have learned about in History this term. They also saw lots of wildlife such as herons, swans, cygnets, damselflies... and rowers!
