At this time of year we are planning and supporting the children with the transition and change as they start to think about moving into the next year group. On Monday the children will have the opportunity to meet their new class, please continue to read for more details. The teachers are looking forward to meeting the children and have been planning and talking to the current class teacher to make sure all the hand over information has been shared.

We have a couple of teaching staff changes this year. At the end of this year we will be saying goodbye to Miss Jones and Miss Clarke. Miss Jones is moving to London and therefore has found a job closer to her new home. Miss Jones has been a valuable member of the teaching team for several years and we are going to miss her. We wish you all the best, Miss Jones in your new home and your new job.

Miss Clarke is also moving away from Cambridge to be closer to her family. Although, Miss Clarke hasn't been with us very long, we do thank her for all the hard work and support she has shown the children. Miss Sanchez will be teaching at Trumpington Meadows from September and we are welcomeing Miss Free over to Fawcett, she currently works at Trumpington Meadows.

Transistion Day, Monday 7 July:

Children will be spending the day in their new classes with their new teachers on Monday 7th July. This will be an exciting opportunity for everyone to start to get to know each other a litter better. Children are to arrive at school at the usual time and they will start the morning in their current classes as usual. There will then be a short assembly in the main hall, after which children will spend the remainder of the day in their new classrooms. Before the end of the day, children will return to their usual class and be dismissed in the usual way by their existing class teacher. If you wish to speak to your child's new class teacher, they will be on the playground at the end of the day (KS1 and KS2) or in the Reception Classroom area.

Summer Fair Total – a message from the PTA

Thanks to everyone who came to the summer fair last Saturday. I'm pleased to say that we raised just over £1600 for the schools. Well done everyone, and a particularly thank you to all the people who gave up their time to volunteer at the event - this would not have been possible without you. Looking forward to seeing some of you at the discos next Friday!

SpeedKick Challenge:

A few weeks ago, children took part in the Premier Sport SpeedKick Challenge and were also asked to raise some money for charity through sponsorship. We are so proud to be part of such a generous community as we raised an astonishing £1439.70. A special mention needs to go to Iris who managed to raise £135.

Did you know

This week Miss Hansen has been competing at Henley Royal Regatta in the Wargrave Challenge Cup, representing the City of Cambridge Rowing Club in our women's club eight. Held on a stunning stretch of the River Thames, Henley Royal Regatta is one of the most prestigious and historic events in the rowing world, dating back to 1839. The five-day, invitation-only event follows a head-to-head knockout format, where two crews race side by side over the famous 2,112-metre course, with only the winner advancing to the next round. The Wargrave Challenge Cup showcases top-tier women's club eights and, this year, features competition not only from across the UK but also from international crews hailing from Canada, Germany, Australia, and beyond. With Olympians and elite athletes frequently among the field, it's a true honour to have the chance to race on such a legendary stage.

Year 2 Trip to Mountfitchet Castle:

The Year 2 children had the best time on their trip to Mountfitchet Castle. I think that the pictures speak for themselves.

Summer Singing Concert - Tuesday 8th July:

Year 1-3 will be singing at 11am -11.30am.

Year 4-6 will be singing from 11.45am - 12.15pm.

Audience space for these performances is limited. We ask that no more than 2 tickets per family to each event. Both concerts will have the same song lists.
