

### News from the Federation – 12<sup>th</sup> September 2025

This week, I was invited to attend a meeting with different groups in the TM community meeting with part of the team who are considering the significant planned expansion to Cambridge over the coming years. We discussed the opportunities and challenges that came with building a new community, like Trumpington Meadows.

The meeting was also attended by the Trumpington Clothes Hub – if you are not aware, the Hub runs the clothing rails you will see in the front entrance area. This is open during the school day and you are welcome to take clothes free of charge (there is a donation box if you wish). This is a fantastic resource, open to everyone, and we are very grateful to the volunteers who make this run.

#### **Cars**

Where possible, please try and avoid driving to school – if you do need to drive, please be careful around the school site and be mindful of local residents when parking. Thanks for your support.

#### Meet the SENCo

Mrs Kirby joins us this year as our SENCo – she will be working Mondays, Wednesdays and Fridays and is available to support with any concerns you may have regarding your child's special educational needs.

"I'm thrilled to have joined TM as the new SENCO. I'm passionate about supporting children with their learning and wellbeing, helping every child to shine. I look forward to getting to know the children and families and being part of the TM community"
