

News from the Federation – 20th June 2025

A big thanks to everyone who came along to Sports Day on Wednesday morning: it was great to see such a good turnout and to see the children engaging so positively with the different activities. Thanks also to the TCC sports ambassadors, some of whom are previous students of TM, who supported with the event.

This week included 'Thank A Teacher Day'. Whilst it's not clear why this should constitute a single 'day', it was an opportunity for me to thank all the staff at school for the efforts they make every day to do the best for the children here. Efforts that feel ever so slightly harder during a heatwave...

The warm weather is forecast to continue so please do ensure your child has a named sunhat in school and has sun tan lotion applied before coming into school. We will encourage children to drink as much as water as possible during the day.

Mr Monro

Sports Day

Well done to everyone for taking part. The totals will be calculated and the winning house will be shared with the school next week!

Year 2 Measure

In Science Year 2 have been looking at the human body and in Maths have been looking at measure. The children combined the two areas of learning and investigated if there are any links between the length of our arms/legs and our height. The children measured their height with a piece of string and then used it to compare their height to other parts of their body.

Nursery Places

We have places in our Nursery available for September!

Our Nursery runs from 8.45 to 11.45 – if you are interested in securing a place, please contact the school office at office@trumpingtonmeadows.cambs.sch.uk

PTA Summer Fair

We're looking forward to welcoming you all to the PTA summer fair on the Fawcett playing field on 28th June. One of the key things for making this a success is you! As we plan and organise, we need to know how many people are able to help on the day, as this tells us how many stalls and activities we can prepare. This event is a really great chance to come out together as a community and have some fun at the same time as raising money for the amazing work the schools do.

If you're around and able to help, it would be great if you could fill in this really quick sign-up link [here](#). If you have any questions or thoughts, do also feel free to get in touch via the email address below.

Thanks,

Ben
