

News from the Federation 13th June 2025

In assemblies recently we have been looking carefully into the many ways we keep the children safe, secure and happy in our school. Having chicks links well to this as we have ensured the risk assessments are in place to mitigate any risk and enable this to happen. The impact of the experience has benefitted the children through increasing their knowledge and skills as well as positively impacting their wellbeing. We also discussed aspects of online safety, trips and educational visits and our behaviour in school both inside and outside of the classroom as all ways we ensure that children are safe in school. These are all important reminders to our pupils and supports the mental wellbeing of pupils while in our care.

Mrs Calverley

Fluffy Fawcett Visitors:

In Early Years, the children have had the egg-citing opportunity to watch chicks hatch and grow over the last 2 weeks. This has been an invaluable firsthand experience to help children understand life cycles and how to care for young animals. These adorable fellows will be rehomed at the end of the week.

Sports Day: Thursday 19th June

Sports Day will be held on Thursday, June 19th, from 10:30am to 12:00pm for children in Year 1-6. Children will participate in a carousel of events they have been practicing in their PE lessons. Please send your child to school in their PE kit. Please check the weather in the morning and dress your child accordingly, including sun cream, a sun hat, and a water bottle. We would like to invite family members to watch and support your child and please access the field by using the Paget Road gate. The event will only be cancelled if the weather makes it unsafe, and this will be communicated to parents via ParentMail on the morning of Sports Day. We look forward to celebrating your child's engagement in Sports Day with you.

Safeguarding:

We have added a new link to our website; Report-Remove is run by ChildLine to help young people under 18 in the UK to confidentially report sexual images and videos of themselves and remove them from the internet. The website link for this is here:
<https://www.trumpingtonfederation.co.uk/page/?title=Report+%2D+Remove&pid=1503>

Dates and Events

These can be found on our website using the link:
<https://www.trumpingtonfederation.co.uk/page/?title=Term+Dates&pid=133>
