

News from the Federation 3rd October 2025

Instagram

Another wonderful week in school, thank you for your continued support for the events that have taken place this week and for supporting your child's learning. We have appointed our Year 6 Leaders – congratulations to all who applied, interviewed and was appointed. I am proud of you all and am looking forward to working with each individual as they model the high expectations of behaviour and learning in our school.

The Parent Teacher Association (PTA) are working hard creating and organising events for the community this year. We have a disco coming up which is very popular and greatly enjoyed by all who attend. Keep an eye out for information. We are very lucky that the PTA are supporting our OPAL play project and have recently ordered £1000 of additional resources for playtimes. A huge thank you to everyone for making this happen. We will be introducing the new equipment to the children in our Opal assemblies over the coming months.

We also want to say a big thank you to Cooke Curtis & Co and Bidwells who donated money in the summer term which paid for the sand in our sandpit.

Mrs Calverley

Thank you to all our families who have supported the book fair and Year 6 cake sale. The cake sale has raised £446 and the book fair has raised £260 which will go towards the purchase of new topic books and dictionaries.

Next week we have a parent session at 2.30pm on Friday 10th October 2025:

Neurodivergence Awareness

Please join us in the school hall to find out more about neurodivergence and how we create our inclusive culture here at the Federation.

Dates and Events

These can be found on our website using the link:
<https://www.trumpingtonfederation.co.uk/page/?title=Term+Dates&pid=133>
