

IN YEAR 2

In English, we completed a unit on non-chronological reports and focused on Space, Earth and other exciting planets. We did link this unit with a class book "Here we are" by Oliver Jeffers.

In Science, this half term we have started learning about animals including humans. We have identified and had interesting discussions about the differences between living, once living and never living things in our environment. This week we went outside and exercised in order to listen to the difference in our heart beats before and after exercise.

THIS MONTH'S SUPER LEARNERS:
Fitzwilliam-
Ramello, Elsa, Sophia, Youmna, Oscar, Xander, Betty and Ru
Reader of the month: Ella Clark
Kings-
Achievement: Aleah, George and Fabian.
Progresss: Malachi, Sebi and Arlo
TIMESTABLES BRONZE AWARD:
Haedam and Luhas

Reader of the Month - Nina

In Maths, we continued learning about addition and subtraction and children have become familiar with the expanded column method. Can they explain at home what steps they follow to make sure they solve their number sentences well?

We went on a trip to the Arts Theatre Picture House to watch Trolls Band Together. We had great fun watching our film and our behaviour was amazing. Thank you to our parents who helped.
