

Using Treasure Baskets and Heuristic Play to Enhance the Curriculum for Under Three's

Cambridgeshire Early Years, Childcare, and School Readiness Service are offering training on the use of treasure baskets and heuristic play for under 3's.

The aims of the course will support practitioners to:

- Examine the principles of Treasure Basket and Heuristic Play theory and how each contributes to the concept of sensory play.
- Understand the benefits of incorporating Treasure Basket and Heuristic Play into your curriculum and how each can support children's learning and development.
- Consider the role of the adult in delivering high quality Treasure Basket and Heuristic Play experiences for very young children.
