

As we approach the festive season, I would like to take a moment to extend my thanks to all the staff at Fawcett. This has been a very busy term and the learning opportunities for the children have been of a high standard and quality. This was clearly evident in the Christmas productions in recent weeks. Thank you.

Thank you to the Governors, the PTA and all the additional on-site staff in the office, cleaners and staff at after school clubs. Thank you also to the children for your energy, curiosity and spirit. You are the reason we do our jobs!

Parent Survey!

Please scan the QR code to complete the Fawcett parent survey and help us to continue to improve.

Finally, thank you to you, parents, families and carers for your support and input this term.

We have received roughly 15% responses from our Parent Survey and would welcome more feedback as I am dedicated to improving the school. If you have a few moments over the break to fill it in, I would be most grateful. Please use the QR code.

Wishing you all a restful break.
Mrs Calverley

This week at Fawcett

Christmas Tree Festival:

We are so proud of the Nursery's Christmas tree entry for the Christmas Tree Festival at St Mary's and St Michael's Church. Thank you to Mrs Banks in Reception for making this happen. I think you will agree, the children's decorations on the tree really do look beautiful.

Other festive news:

Staff are continuing to feel festive right up until the end of term. This could not be better portrayed than Mr Ingrey's and Mrs Ovenden's matching West Ham Christmas jumpers!

The Trumpington Federation Winter Fayre:

A huge thanks to all of you who supported our Winter Fayre last week. It was wonderful to see the Federation Choir perform and we managed to raise a staggering £1019.95!

Thank you to the PTA, our volunteers, school staff and parents for your contribution, donations and attendance. It is much appreciated.

If you have any Christmas decorations that you are happy to donate to the school we would be very grateful. We have two bushy trees in school but the baubles and decorations are a little depleted. When you take your decorations down in January and maybe feel like a change for Christmas next year, we would welcome some of your old decorations to make our trees even more beautiful next year.

Nursery and Reception Celebrations:

We are so proud of all our Early Years children who welcomed their adults into school this week for a 'Stay and Play' and a Christmas play. The Reception Christmas play was a sparkling success and we were so impressed with the children's confident performances and how well they knew all the words to the songs.

Looking Ahead

Performance Assemblies:

In the new year we will be having a performance assembly on January 20th 2025. If your child plays a musical instrument or sings and would like to perform in front of the school, please contact Mrs Wilkinson via the school office.

We look forward to welcoming all the children back to school on Tuesday 7th January 2025.

See you in the new year!
