

Spring Updates:

Over the last term, we have introduced new equipment which has extended the opportunities for play. These include: basketballs, hammocks, sand toys, 3 rope swings, hockey balls/ sticks, a new basketball hoop for everyone and litter pickers.

We have also updated some of our grounds, with the help of parent volunteers, to include a Snowdrop viewing area, improved water area, OPAL woodland and social spaces for more outdoor interactions. We have had a particular focus on developing unused spaces; we have created seating, paths and a Reading Nook.

Uniform:

Please ensure your child has wellies/ walking boots and waterproof clothing in school at all times so we can go out in all weathers.

Can you help?

If you are having a clear out, we would appreciate any donations you are able to give us. We are particularly looking for rope, tarpaulin, spades, buckets, CDs, ribbons, pushchairs, balls, trucks/ cars, scooters, tennis rackets.

A big thank you to the parents that volunteered and helped make this possible!

Many thanks for your ongoing support with this 😊
