

## KS2 Wild Bingo Board

If you complete a full house, you will receive a certificate! If you take photos as evidence, they can be e-mailed to Miss Edge via the school office.

<p style="text-align: center;"><b>Spot the signs of Spring</b></p> <p>What can you identify? Make a list or print the Spring Hunt spotter sheet (Check out the Nature Detectives website)</p>	<p style="text-align: center;"><b>Go on a night time safari</b></p> <p>Wrap up warm, grab a torch and head out into the garden after dark. Look for moths, bats, nightjars and other nocturnal creatures</p>	<p style="text-align: center;"><b>Sketch or paint a Spring flower.</b></p> <p>Get close up - What shape is it? how many petals has it got? What shape are the leaves? What's its name?</p>	<p style="text-align: center;"><b>Make a bee hotel</b></p> <p>Provide bees with a comfy bed, nutritious food, and a refreshing water supply. (Check out <a href="http://friendsoftheearth.uk">friendsoftheearth.uk</a>)</p>
<p style="text-align: center;"><b>Create a Hoverfly Lagoon</b></p> <p>Hoverflies are important pollinators too and they don't even sting. (Find instructions at <a href="http://community.rspb.org.uk">community.rspb.org.uk</a>)</p>	<p style="text-align: center;"><b>Go on a minibeast hunt</b></p> <p>Which creatures can you identify? Create a graph to show the number of each one. What are they doing there?</p>	<p style="text-align: center;"><b>Plant some seeds!</b></p> <p>It's the perfect time to sow sunflowers, wildflowers and summer fruits and veggies (Check out the RHS website)</p>	<p style="text-align: center;"><b>Build a den!</b></p> <p>Use whatever you've got - branches, sticks, cardboard boxes, chairs, blankets, tarps, pegs, string... Then relax with your favourite book</p>
<p style="text-align: center;"><b>Invent a recipe suitable to cook on the campfire</b></p> <p>Think about the best method to cook it - in foil, on a stick, in a pan or some other way?</p>	<p style="text-align: center;"><b>Identify the trees in your neighbourhood</b></p> <p>Which trees are growing in your garden and along your street? Look at the bark, leaves, buds, flowers and fruits. Use the Woodland trust's free tree ID app to help you</p>	<p style="text-align: center;"><b>Eat your five a day!</b></p> <p>Create a food diary to show which fruit and veggies you eat in a week. Have you tried anything new? Do you eat 5 a day?</p>	<p style="text-align: center;"><b>Make a trail or treasure hunt</b></p> <p>Write the clues leading to at least 5 locations. Then challenge someone to have a go.</p>

<p><b>Make a mini scarecrow</b></p> <p>Scarecrows are great places for bugs to hide out and can become part of the family - dress it in your old clothes and give it a funny name.</p>	<p><b>Research a woodland animal</b></p> <p>Write a fact sheet about its appearance, habitat, diet and lifestyle</p>	<p><b>Learn to tie a (new) knot</b></p> <p>What can you use it for? Give x3 examples (YouTube have some great instruction videos)</p>	<p><b>Go stargazing</b></p> <p>What's in the sky above your home? Can you spot a constellation, a planet? Which moon phase are we in? (www.ducksters.com)</p>
