

## KS1 Wild Bingo Board

If you complete a full house, you will receive a certificate! If you take photos as evidence, they can be e-mailed to Miss Edge via the school office.

<p style="text-align: center;"><b>Spot the signs of Spring</b></p> <p>Make a list or print the Spring Hunt spotter sheet from the Nature Detectives website (see below for web address)</p>	<p style="text-align: center;"><b>Go on a minibeast hunt</b></p> <p>Which creatures can you identify? How many legs has it got? Make a mini beast from clay or play dough (Nature detectives)</p>	<p style="text-align: center;"><b>Draw or paint a Spring flower.</b></p> <p>Get close up - how many petals has it got? What colours can you see? What's its name? Label the parts of the flower</p>	<p style="text-align: center;"><b>Make a magic potion</b></p> <p>Collect some mysterious bits and bobs (a feather, an acorn, a petal...), add some water and use a special stirring stick Now make a wish!</p>
<p style="text-align: center;"><b>Create an Easter garden</b></p> <p>Tie two sticks for a cross, rocks for boulders, some grass and flowers</p>	<p style="text-align: center;"><b>Feed the birds!</b></p> <p>Make a bird feeder Watch to see which birds come to visit. Make a weekly tally to see who visits most (Check out RSPB website)</p>	<p style="text-align: center;"><b>Plant some seeds!</b></p> <p>It's the perfect time to sow sunflowers, wildflowers and summer fruits and veggies (Check out the RHS website)</p>	<p style="text-align: center;"><b>Build a den!</b></p> <p>Use whatever you've got - branches, sticks, cardboard boxes, chairs, blankets, tarps, pegs, string... Then curl up and read your favourite book</p>
<p style="text-align: center;"><b>Do some rock painting</b></p> <p>Any kind of rock will do. Turn it into your favourite mini beast, paint a flower or create a dotty design.</p>	<p style="text-align: center;"><b>Create a Hoverfly Lagoon</b></p> <p>Hoverflies are pollinators and they don't even sting. Build them a home in your garden this spring. Find instructions on the RSPB website</p>	<p style="text-align: center;"><b>Eat your five a day!</b></p> <p>Create a tally chart to show which fruit and veggies you eat in a week. Have you tried anything new? Do you eat 5 a day?</p>	<p style="text-align: center;"><b>Make a trail or treasure hunt</b></p> <p>Write at least 3 clues, then challenge someone to have a go</p>

<p><b>Make a mini scarecrow</b> Scarecrows are great places for bugs to hide out and can become part of the family - dress it in your old clothes and give it a funny name.</p>	<p><b>Make up a song or game to sing or play around the campfire</b> Do you remember the Fire circle rules? Teach someone else what they are</p>	<p><b>Learn to tie a (new) knot</b> What can you use it for? (YouTube have some great videos)</p>	<p><b>Go stargazing</b> Can you spot a shooting star, a constellation, a planet? Notice the different phases of the moon (<a href="http://www.ducksters.com">www.ducksters.com</a>)</p>
