

News from the Federation – 17th December 2020

The staff at the Federation would like to wish all the community a very safe and joyous, well deserved Christmas break.

Thank you for all your support throughout the term and we look forward to seeing you all again in the new year.

Track and Trace

As part of the Track and Trace, we will be contacting families should there be any positive cases in our community. The last date for this will be Wednesday 23rd December.

Noah's Ark Chemicals

We would like to say a huge thank you to Noah's Ark Chemicals for their generous donation of hand sanitiser to the Federation. This kindness and generosity has been greatly appreciated.

Queens Class

From January, we would like children from Queens class to be dropped off and picked up from the main playground to ease congestion. Currently, the last class to enter and leave the main playground is year 2. Once the year 2 parents and children have left the playground, the member of staff at the gate will invite the parents from Queens class to enter to collect their children. Prior to COVID, all Reception class children were collected from their classroom gates and this has not been possible so we are trying to ensure that children and parents have a calm and stress-free start and end to the day.

Please remember:

- Years 5 and 6 start at 8:30am and finish at 2:40pm
- Years 3 and 4 start at 8:35am and finish at 2:45pm
- Years 1 and 2 start at 8:40 and finish at 2:50pm
(Please Note: Year 1 timings have changed by 5mins to prevent long waiting times)
- Reception to start at 8:50 and finish at 3:00pm

Swimming Pool

As you can see, our swimming pool now has water! The pump enclosure is almost complete and the changing rooms are continuing to be developed at pace. After Christmas, we may have the flooring taking shape.
