

News from the Federation 24th September 2021

What a wonderful week we've had! Year 5s from across the Federation are now using the swimming pool each week and all children have been thoroughly enjoying the menu at lunchtimes.

Covid Cases

There are an increasing number of confirmed positive cases within the Federation, please continue with the hygiene routines which have been in place since March 2020. If a member of school staff advises you to get a PCR test, please do so.

. If your child has any of the 3 main Covid symptoms they need to self-isolate and book a PCR test. They cannot attend school while awaiting results.

The 3 main symptoms are:

- temperature
- new continuous cough
- loss of taste and/or smell

If your child is not displaying any symptoms and is awaiting a PCR test result, they can attend school.

Birthdays

We understand that all children wish to celebrate their birthdays with their school friends by bringing in some treats. At the Federation we encourage a healthy diet and prefer children to donate a favourite book to their class to share instead of bringing in sweets/cakes. Please help us to establish this by not sending in sweets for birthday celebrations.

Dogs on Site

Please do not bring your dogs on site and leave them somewhere safe before the gates.
