

News from the Federation – 20th May 2022

Another busy week at the Federation! Children in year 2 have completed all their SATs assessments for the year so a big well done to them all for being so calm and mature during this important week.

Trumpington Federation PTA

We are in the process of re-launching the PTA and have had a very positive response from parents expressing their interest to join. If you are interested and haven't yet signed up, please contact the office and let us know as we have a few vacancies for different roles. There will be the flexibility to volunteer as little, or as much time as you have, to support our schools. Those parents/carers who have expressed their interests, or would like to consider joining, are welcome to attend an informal meeting we will be holding at school to discuss the roles. These meetings will be held at Fawcett on Wednesday 15th June and TM on Thursday 16th June, both at approximately 9am.

This year, we would like to hold a welcome event for all parents in September and also have our annual Christmas Fayre.

Queen's Platinum Jubilee

Next Thursday 26th May, our schools will be inviting parents in to join in with our Platinum Jubilee celebrations.

Following a very British lunch provided to the children by our caterers, there will be some presentations/singing by the classes. This is intended to be an informal event where children are free to join parents after they have performed (they must inform their teacher though). If you are unable to attend, all children can still take part in the celebration as part of their class groups and we will be selling refreshments on site so that they can also purchase drinks and cakes. Children may bring in money to purchase refreshments; cost will range from 20p-50p. As this is an informal event, parents/carers may drop in for a short time or stay for the whole duration, please also remember that we cannot provide exact timings for the presentations/singing.

Can you help?

We are trying to collect as many Julia Donaldson books as possible for our Reception Class. We love exploring this author's wonderful collection but we only have a handful of her books at school. If you are happy to donate any of your pre-loved copies we would be very grateful!

Playground markings:

You may have noticed that sadly some of the new markings have started coming off, this is due to a product malfunction. The company will be returning to rectify the situation during the half term break.
