

News from the Federation – 27th May 2022

The first half of the summer term has certainly been a very busy one with all the SATs, some school trips and a warm welcome back to open classrooms. It has, at long last, appeared somewhat normal after the last two years and long may it continue.

Y6 Residential

It has been an unusual week at both schools with our year six children away for their residential at Bawdsey Manor. They all returned on Wednesday evening after a very enjoyable and refreshing experience during which they took part in many team and resilience building activities. The staff at Bawdsey Manor commented on the excellent behaviour of the children from the federation, which has made us all proud of the way they conducted themselves throughout.

Platinum Jubilee Celebrations

Thank you to everyone who attended the Jubilee celebrations. First off, we had our lunch outside, street party style which was exciting. It was then lovely to take a walk through the seven decades of the Queen's reign; see and hear what the children had learned and sing along to some of the popular music from each decade – what a party! We would like to also say a big 'thank you' to all the parents and carers for the generous cake donations; there was so much cake but it was all gone by the end of the day! We made over £520 at Fawcett and £460 at TM.

Term Dates

INSET Day
Monday 6th June

First day of Summer term
Tuesday 7th June

Sports Day
Fawcett: Wednesday 6th July
TM: Thursday 7th July

Transition Day
Monday 11th July

Last day of Summer Term
Friday 22nd July 2022

Supervision of Children

Please could parents and carers supervise children in the park and around the locality when coming to school or leaving the site at the end of the day. There are many hazards along the way and there have been numerous reports of children riding their scooters on the busy roads.

Parking

When using the roads around the schools, please be mindful of pedestrians and local residents. There has been a high volume of traffic and we need to ensure the safety of ALL road users. Please do not block driveways and turning corners as this is causing a huge amount of anxiety as emergency vehicles cannot make their way, should there be an emergency.
