

News from the Federation – 17th June 2022

It has been a very busy week with lots of school trips and exciting immersion into the new topics for learning. Children have been enjoying the warm weather and we have had to make alternative provisions on Thursday and Friday when things became a little too hot so that children could remain cool during the school day.

We understand that the cost of living is going up significantly and some members of the community will be feeling the pinch. In Trumpington, we have a very supportive community helping with clothing and food supplies and we want to raise awareness of these charities so that anyone struggling can contact them for help. Trumpington Food Hub is available for food supplies and are also taking donations from members of the community to support their charity as they have seen a significant rise in the number of people needing to access the food hub.

Vacancies for Cleaner and member of After School/Breakfast Club at Fawcett

If you are looking for work that fits around the school day and would be interested in working with children at our After School club and Breakfast Club, please contact Caroline Cubitt as we currently have a vacancy. We also have a vacancy for a school cleaner and would like to hear from anyone who would be interested in working for a few hours each afternoon. Please contact the school office on 01223 840299.

Michael Rosen & We are Sound

Some of our children from years 5 and 6 have been selected to take part in some creative writing and performance workshops with Michael Rosen next week as part of Refugee week. As a follow up and part of this all of the school community is invited to a public free event with Michael Rosen at Cambridge Corn Exchange on Sunday 26th June from 4pm to 5.30pm. Please note the date in your diaries and as it is an un-ticketed, free event featuring Michael Rosen & 'We Are Sound' singing new pieces alongside school choirs, drama and dance groups; do please come early to be seated.

Trips and Visits:

For the last two years, we have not been able to take the children at the federation out on trips and visits to support their knowledge and understanding of the curriculum. It has been fantastic to see and hear about the Y6 Residential, the Year 2 trip to Mountfitchet Castle and the Y1 trip to the church. Our Y2 children were particularly excited as this was the first trip they have been able to go on. We know currently how financially difficult it is for some parents and families. School budgets are also stretched.

Apart from the Y6 residential, we keep trips across the year to a maximum cost of £30, less than £1 a week. Any contribution you can make will enable us to continue to enhance the curriculum with these opportunities and avoid us having to cancel trips due to lack of contributions.
