

News from the Federation – 24th June 2022

It has been a lovely week with great sunshine and we are busy preparing for Sports Day!

PTA Meeting

Thank you to all the parent/Carers who attended our first post-covid PTA meeting last night. We are delighted to inform you that we now have committee members for both schools and are looking forward to working with the community again. The PTA will be a means to hosting events to bring the schools and the local community together. This year, we hope to have a Welcome Event at the beginning of the Autumn term and then a Christmas Fayre.

Michael Rosen & We are Sound

This week is Refugee week. To mark this some children from Y5 and 6 volunteered to attend a workshop inspired by the Poet in Residence at History Works, Michael Rosen. In the workshop Michael and the team shared new poems, songs and stories about the Refugee experience, and Michael's own family story about war and displacement. The children were inspired to write their own poetry after the thought-provoking session.

On Sunday 26th June, Michael Rosen will be hosting an event at the Corn Exchange from 4pm to 5.30pm, with 'We Are Sound' singing new pieces alongside school choirs, drama and dance groups. It is also a chance to reflect on the poetry written by the children in the workshop on Wednesday. The event is free and is not ticketed so we suggest you get there early to get a seat.

Reception and KS1 at both schools were offered an exciting free performing arts session as part of a project to promote performing in school (Drama4All). Trumpington Meadows children enjoyed their sessions on 10th June and the Fawcett sessions are being held on 5th July. Here are some details from the organisers:

'Each 25 minute workshop is led by an experienced actor/drama teacher appearing in role as superhero *Supa Dupa*. Their mission is to find brave children to train as Superheroes to help save Planet Earth, and, in particular, to stop us using so much plastic! Using dance, drama and singing, the children go on a high-energy, interactive
