

News from the Federation – 1st July 2022

This week, all children across the school have been practising for the upcoming Sports Day! We are all looking forward to the excitement and hope that the weather remains mild so that children can properly enjoy the competition.

Next week we will be having Sports Day at Fawcett on Wednesday 6th and Trumpington Meadows, Thursday 7th. The arrangements are as follows and parents/carers are invited to spectate:

Year 1 Boat Trip

On Tuesday, our Year 1 children enjoyed a lovely ride aboard a boat on the River Cam. This trip was part of their Fitz and Will topic where the Cambridge cats explore the city and also go on a boat trip. Thank you to all the parent helpers who volunteered and made this a success.

Attendance

Some families will have received letters regarding attendance and punctuality in recent weeks. The previous arrangements concerning Covid are no longer in place and schools are expected to follow normal attendance procedures. As a reminder, if your child is ill, parents are required to contact the school office before 10am on the day of the illness and then every day that your child is absent due to the illness – for sickness and/or diarrhoea a 48hr policy is followed. These are outlined on the school website.

If you take your child out of school for an appointment or for any other reason, the school requires an absence request form to be completed; the form can be obtained from the school office.

Please note that the school will not authorise any holidays during term time.

If you do have any queries, please contact the school office who will be able to answer your questions.

Goodbye to Ms Barham

Sadly, we will be saying goodbye to Ms Barham at the end of this academic year. Ms Barham has been Assistant Headteacher at the Federation for over 6 years and has worked across both Trumpington Meadows and Fawcett. She has overseen the Inclusion team and also Teaching and Learning in KS2. Ms Barham will be moving closer to home and starting a new role within a special school. We thank her for all the hard work she has done for the Federation and wish her the best of luck!

Lost Property

We have a huge amount of lost property accumulated at the school and would like to share it in the playground next week. If you have lost anything in the past, please do take a look. Please can we ask that all items in school are named as they can then be returned quickly to their owner!
